

Minerals Stakeholder Workshop 1

The Minerals Core Strategy

Developing Objectives

Andy Hill, Devon County Council

Objectives

- “...clearly defined and measurable...build upon national and regional policy”
- “...flow from the vision and contribute to it...[and] form the framework within which policies and proposals will fit”
- “...not a vague wish-list but a clear statement of what needs to be done”
- “...positive, realistic and aspirational...distinctive and capture the characteristics of the place”

Policy Context

- National policy – MPS1
- Regional policy – Draft RSS
 - Supply, landbanks and recycling
 - Ecological footprint, climate change, energy, water
- Devon Community Strategy
